

SCHOOL FAIR FUNDRAISING HELP – SPECIAL OFFER FROM KENNARDS SELF STORAGE

Free storage for your school fair garage sale.

Kennards Self Storage will provide P & F of your school a storage unit at no cost to accumulate goods to sell at your fair.

Many schools have fairs that include garage sales of items owned by P & F to raise funds.

Here's how it works:-

Step

1

Arrange

Contact Sharon Dux at Kennards Self Storage on 02 9764 9801 or e-mail sharon@kss.com.au to arrange your space and timing requirements.

Step

2

Set Up

Visit your local KSS centre where you will be

- allocated a suitable unit and a Storage Agreement completed
- given a combination padlock
- given an access code to access the property

Step

3

Announce the Service and Start Accumulating

- Promote your garage sale to your school P & F
- You share the combination and access code with your P & F and get them to drop off their items when it suits them.
- Promote Kennards Self Storage support in your P & F communications. (We will provide logos and/or advertising material)

Step

4

Hold the Sale

- Take the goods to your fair and sell the goods, enjoy the rewards for your school.
- Our courtesy trailer is also available to help you move.
- Return the empty unit to us.

Kennards is pleased to support local schools with our free storage initiative. We hope your school can also now enjoy the benefits.
